Dear Sir/Madam,

It gives us immense pleasure to inform you that Zoology, Botany and Biotechnology Departments of S.J.V.P. College Autonomous Harihar are organizing One Day Self Financed National Level Seminar on **LIFE SCIENCE FOR THE LIFE** on 02nd April 2018. You are cordially invited to participate in the above seminar & make it a grand success.

ABOUT THE SJVV PEETHA(R) HARIHAR

The S.J.P.V.V. Peetha(R) Harihar, since its inception, 1970 has been a role model in imparting quality education and upliftment of socio-economic status stepping ahead for **GOLDEN JUBILEE** celebration. His holiness Sri Sri Sri 1008-Srishaila Jagadguru Vagesha Panditaradya Shivacharya Mahaswami, the learned scholar, a religious leader, freedom fighter, ayurveda pundith and visionary, found our S.J.V.V.Peetha(R) Harihar in 1970 in the rural background. The institution has been imparting quality higher education to rural youth belonging to all sections of society. The present President of Vidyapeetha, his holiness Sri Sri Sri 1008 Srishaila Jagadguru Dr. Channasiddarama Panditaradya Shivacharya Mahaswami, whose benign blessings and spiritual guidance is the breath of our institution and share the vision of the founder President. The Administrative activities are monitored and managed by the administrative committee headed by the Hon. Vice-President Sri D.M. Mahaswami and Secretary Prof. G. Shukuntalamma.

ABOUT THE COLLEGE

With benign blessings of Sri Sri Sri 1008 Srishaila Jagadguru Vagesha Panditaradya Mahaswami our college was established in the year 1970. S.J.V.P.College Autonomous Harihar is situated on the bank of river Tungasnoola. Our

college is having twenty Departments with well facilitated beautiful green campus. Considering the quality education of S.J.V.P. college, the Kuvempu university granted a permanent affiliation during 1997-1998, further recognizing academic achievement our college is accredited by NAAC in a first cycle our college got THREE STAR status in 2000-01, in a second cycle got B++ grade in 2006-07 and in third cycle college got B grade in 2013-14.

In addition to this our college got autonomous status in the year 2005-06. Our college is approved under 2 (f) of the UGC act 1956 on 1988 and also it is declared as a 12 (B) status of UGC act 1956 on 2002. Since from 1970 till the date our college is putting a step ahead to enrich the quality of education and students empowerment.

ABOUT THE DEPARTMENT

The Department of Zoology and Botany of our college came into existence in the year 1984-85. Since its inception, Departments have striving to impart the knowledge of Zoology & Botany at UG to the aspirants of this region. The faculty has been contributing a lot for the growth of the Department in order to promote high standard in the college by way of extending facilities to teachers & students. The Department have organized UGC sponsored one day state/national level seminars & extension programme for farmers of this region. Students are also involved in FBI programme & projects of the state government. These academic activities in the Department have provided an opportunity for delegates to share their knowledge, experience & research findings.

ABOUT THE SEMINAR

The life science comprise the branches of science that involve the scientific study of organisms - such as microorganisms, plants and animals including human beings - as well as related applications like genetics. While biology remains

the centrepiece of the life science, technological advance in molecular biology and biotechnology have led to a burgeoning of specializations and interdisciplinary fields.

The resource person for seminar are invite from Universities and institutions like Sahyadri Science College Shivamogga, Kuvempu University, Pune University and Biogenics Research Center Hubballi their rich experience will definitely nurture the delegates. So, the proposed one day National Seminar on Life Science For the life will provide opportunities to teachers, Scientists, Research Scholar and Students to share their unique ideas.

Our sincere attempt is to invite Delegates and thinkers from all over the nation to know the present status of Life Science.

Objectives of Seminar

- To know the present status of Life Science.
- To obtain the use of Life Science in present conditions.
- To provide a platform to know Life Science for human development.
- To provide a platform to express ideas on Applications of Life Science.
